Petersen
Furniture, Inc.

8	43	Pineapple fans	8	Kit Kat Girls	H	Build	49
---	----	----------------	---	---------------	---	-------	----

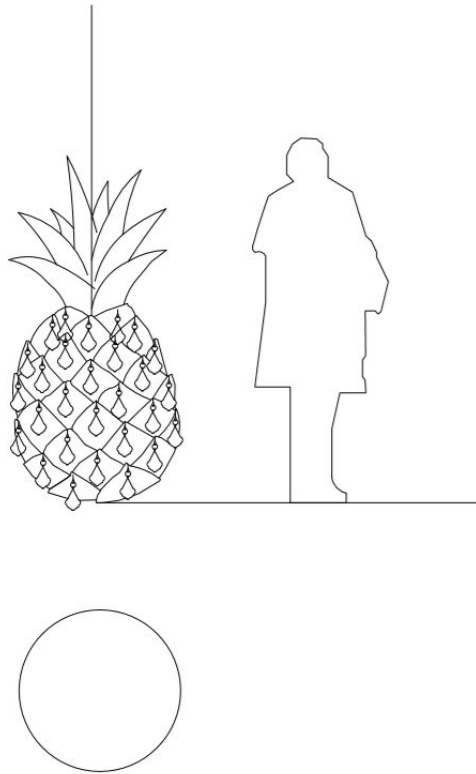

The Fan should look the same on either side. The Orange feathers go on the smaller arch around the handel and the green feathers surround the orange feathers.

The DWG will be on box. The Handle is 10 inches wide by 7 in height. The overall width with feathers should be 36 inches

8	43	pineapple chand	1		LX	Build	50
---	----	-----------------	---	--	----	-------	----

The Pineapple Chandelier: 5 ft 7 inch in height and 2 ft 8 inch in width. Made out of wire so it is see through but the centers of the peel are the crystal pieces and topped with Green feathers to match the fans.
